

Provider Access Policy 2024-2025 (Updated 24/10/24)

Introduction

This policy statement sets out the school's arrangements for managing the access of providers to the school for the purpose of giving them information about the Provider's education or training offer. This complies with the schools legal obligations under Section 42B of the Education Act 1997, updated in the 'Skills for Jobs' White Paper published in January 2023.

Pupil entitlement

All pupils in years 8 to 13 are entitled:

- To find out about technical education qualifications and apprenticeships opportunities as part of a careers programme which provides information on the full range of education and training options available at each transition point;
- To hear from a range of local providers about the opportunities they offer, including technical education and apprenticeships – through options events, assemblies, group discussions and taster events;
- To understand how to make applications for the full range of academic and technical courses.

For pupils of compulsory school age these encounters are mandatory and there will be a minimum of two encounters for pupils during the 'first key phase' (year 8 to 9) and two encounters for pupils during the 'second key phase' (year 10 to 11). For pupils in the 'third key phase' (year 12 to 13), particularly those that have not yet decided on their next steps, there are two more provider encounters available during this period, which are optional for pupils to attend.

These provider encounters will be scheduled during the main school hours and the provider will be given a reasonable amount of time to, as a minimum:

- Share information about both the provider and the approved technical education qualification and apprenticeships that the provider offers
- Explain what career routes those options could lead to
- Provide insights into what it might be like to learn or train with that provider (including the opportunity to meet staff and pupils from the provider)
- Answer questions from pupils.

Meaningful provider encounters

One encounter is defined as one meeting/session between pupils and one provider. We are committed to providing meaningful encounters to all pupils using the 'Making it meaningful' checklist. Meaningful online engagement is also an option, and we are open to providers that are able to provide live online engagement with our pupils.

Previous providers

In previous terms/years we have invited the following providers from the local area to speak to our pupils:

- BBC – Apprenticeships

- ASK – Apprenticeship support
- Nestle’ – Apprenticeships
- Home Office/Civil Service - Apprenticeships
- Airbus – Apprenticeships
- Armed Forces – Apprenticeships
- Air-Products
- Aldi
- NHS
- Wirral Metropolitan FE College
- LLS Sports Academy
- Steven Gerrard Academy
- Reeseheath Agricultural College
- LIPA

In 2024-2025, we have added:

- Birkenhead Sixth Form
- Liverpool Life Science

Going forward, we will continue to build meaningful partnerships with a variety of further education and higher education establishments, as well as consolidating and developing our relationships with local and national business organisations. In addition, we will add to our Alumni as former students leave us to pursue what we hope will be truly rewarding futures.

Destination Data for our pupils – Year 11 (2023-24)

Last year (Sept. 2024) our year 11 pupils moved to a range of providers as detailed below:

Destination	Number of students
St John Plessington	114
Wirral Metropolitan College	52
Birkenhead Sixth Form	38
Apprenticeships	29
West Cheshire College	5
City of Liverpool College	4
CareerConnect Engage	4
TTE (Engineering)	3
Unable to contact	3

Reaseheath Agricultural College	1
TTE (Engineering)	1
Resits	1
TOTAL	95

Management of provider access requests:

Procedure

A provider wishing to request access should contact:

Les Wellens

Careers Lead - HFCMAT

Via email - leswellens@hfcmat.com

Or contact by phone - 0151 645 5049 - Extension 311

Opportunities for access

The school facilitates at least six 'training provider' encounters, during the three 'key phases', on a rolling basis, as required by law (**marked in bold text**), as well as a number of additional 'whole year' events, integrated into the school careers programme.

An overview of the last two 'full calendar' years is provided below. Provisional dates for planned events for 2024-2025 will be entered in the school calendar and will be added to as the year progresses, dependent on events being sourced and requests agreed.

We will offer providers an opportunity to come into school to speak to pupils or their parents /carers.

Please speak to our Careers Lead to identify the most suitable opportunity for you.

CAREERS 2024-25	SJP				
YEAR GROUP	EVENT	EVENT	EVENT	EVENT	EVENT

Premises and facilities

The school will make the main hall, drama studio, classrooms or private meeting rooms available for discussions between the provider and pupils, as appropriate to the activity. The school will also make available AV and other specialist equipment to support provider presentations. This will all be discussed and agreed in advance of the visit with the Careers Leader or a member of their team.

Meaningful online engagement is also an option and we are open to providers that can provide live online engagement with our pupils.

Providers are welcome to leave a copy of their prospectus or other relevant course literature at the Careers Resource Centre, which is managed by the school librarian, or the sixth form 'careers information' area. The Resource Centre is available to all pupils at lunch and break times.

Complaints

Any complaints with regards to provider access can be raised following the school complaints procedure or directly with The Careers & Enterprise Company via

provideraccess@careersandenterprise.co.uk

Approval and review

Approved TBC by Governors at Curriculum and Standards Committee

Next review: TBC
