RE	KS3 Homework in RE is set via Google Classroom which will guide students to the SENECA learning platform. The homework provision mirrors the national curriculum in RE to provide a broader provision to enhance our 'dialogue and encounter' module. This will introduce students to wider world religions alongside philosophical and ethical concepts.	Students in KS3 will access all homework via their Google Class. Students will click the link to take them to the SENECA link. Important note: When logging into SENECA students must be logged into their device with their school gmail. In order to log on they must click 'continue with google' which will take them to their account, See video walkthrough for support.	KS4 Homework in RE is set via Google Classroom which will guide students to the SENECA learning platform. The homework provision mirrors the Edexcel GCSE curriculum	Students in KS4 will access all homework via their Google Class. Students will click the link to take them to the SENECA link. Important note: When logging into SENECA students must be logged into their device with their school gmail. In order to log on they must click 'continue with google' which will take them to their account, See video walkthrough for support.	KS5 Homework in RE is set via Google Classroom which will guide students to the SENECA learning platform. The homework provision mirrors the OCR A level curriculum.	Students in KS5 will access all homework via their Google Class. Students will click the link to take them to the SENECA link. Important note: When logging into SENECA students must be logged into their device with their school gmail. In order to log on they must click 'continue with google' which will take them to their account, See video walkthrough for support.
