

ST JOHN PLESSINGTON
CATHOLIC COLLEGE

NEWSLETTER

*A Catholic learning community committed to
excellence in all we do...*

Headteacher's Message

Dear Parents, Carers and Students,

As we approach the final two weeks of this half term, there is much to celebrate at St John Plessington. Thank you for your continued support as we work together to help our young people learn, grow and feel part of our school community.

Our Year 7 Welcome Mass this week at St Anne's was a particularly special occasion, celebrating our newest pupils joining our Catholic community. Thank you to everyone who helped organise and support the celebration. It was a wonderful opportunity to come together in prayer and reflect on the values that guide our school: Compassion, Respect, Determination and Justice.

I am also delighted to share that we have achieved the CAFOD LiveSimply Award. This recognises our commitment to living simply, caring for our environment and standing in solidarity with others. The assessor was very complimentary about the work of our staff and students. Particular thanks go to Mr Jones, Mrs Harvey alongside everyone whose contributions made this achievement possible.

Our Sixth Form taster sessions have provided an opportunity for students to explore their next steps and experience what continuing their education at SJP could offer. Thank you to the staff who made these sessions possible. We are proud of our Sixth Form and remain committed to developing its opportunities and supporting students' ambitions.

Thank you, too, to students and staff for their efforts during the English and Maths trial examinations. These experiences help students build confidence, become familiar with examination routines and identify where further support and preparation are needed.

Alongside these celebrations, we continue to reinforce the everyday habits that support success. Please help us by reminding your child of the importance of arriving at school and lessons on time, moving promptly and calmly between lessons, and making the most of learning time. Consistent expectations, supported by school and home, make a real difference.

Looking ahead, school photographs take place on Monday, followed by flu vaccinations on Tuesday, for pupils with the necessary consent in place. Our Year 13 Progress Review also takes place next week. We encourage students and families to ensure appointments are booked and to use these conversations to discuss progress, future plans and any support needed.

Thank you for your continued partnership and for all that our students contribute to school life. I wish you and your families a restful and enjoyable weekend.

Mr McLoughlin
Headteacher

St John Plessington Celebrates Achieving the CAFOD LiveSimply Award!

We are delighted to announce that St John Plessington Catholic College has officially been awarded the CAFOD LiveSimply Award, following two years of dedication, hard work and commitment from across our school community.

The LiveSimply Award recognises Catholic communities that demonstrate their commitment to living simply, living sustainably and living in solidarity with others. Inspired by Catholic Social Teaching and Pope Francis' call to care for our common home, the award encourages us to put our faith into action and make a positive difference in the world. Over the past two years, students, staff, parents and governors have all played an important role in helping our College work towards achieving the award. As part of our LiveSimply journey, we have undertaken a wide range of activities, including:

- Taking action on climate change – Students have written to the Government to raise awareness of climate change and encourage greater action to protect our planet.
- Participating in CAFOD's annual Big Lent Walk – Our College community has come together to walk in solidarity with those experiencing poverty and injustice around the world.
- Caring for our local environment – Students have participated in litter-picking activities within our local community, demonstrating our commitment to caring for creation and taking pride in our surroundings.

Fundraising for CAFOD – Through the generosity and enthusiasm of our College community, we have raised thousands of pounds for CAFOD, helping to support vulnerable communities and those experiencing poverty across the world.

These activities demonstrate how our College community has embraced the principles of Catholic Social Teaching, particularly Care for Creation, Solidarity, and the Common Good. Achieving the LiveSimply Award is a significant

milestone for St John Plessington Catholic College. It recognises not only the actions we have taken over the past two years but also our ongoing commitment to ensuring that our Catholic faith is lived out through meaningful action.

We are incredibly proud of everyone who has contributed to this achievement. A huge thank you to our students, staff, parents and governors for their enthusiasm, generosity and support throughout our LiveSimply journey.

Although we have achieved the award, our journey does not end here. We look forward to continuing to live simply, sustainably and in solidarity with others, ensuring that we remain a community that puts faith into action.

Congratulations to the whole St John Plessington community on this fantastic achievement

New Homework Hub Launched for Families

Following feedback from parents and carers who told us they were sometimes unsure how to access homework platforms or find their child's homework information, we have created a new Homework Hub on the SJP website.

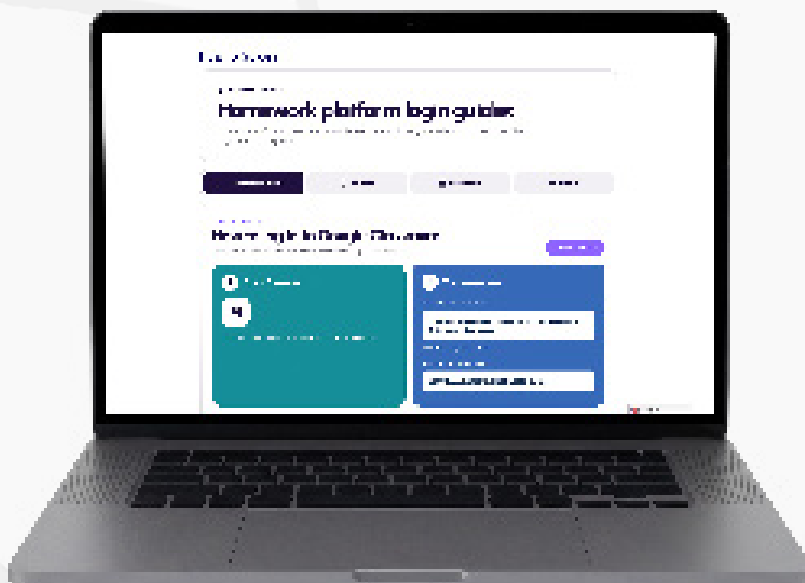

The new page brings everything together in one place. Families can view the KS3 and KS4 homework timetables, check homework days and after-school support sessions, and find step-by-step login guides for Google Classroom, Tassomai, Sparx Maths and Seneca.

There is also a dedicated password reset request form, making it easier for pupils to get help if they are having difficulty accessing one of the platforms.

The aim is to make homework information clearer and easier to access, while giving parents and carers the information they need to support learning at home.

Visit the Homework Hub:

<https://stjohnplessington.com/curriculum/homework-at-sjp/>

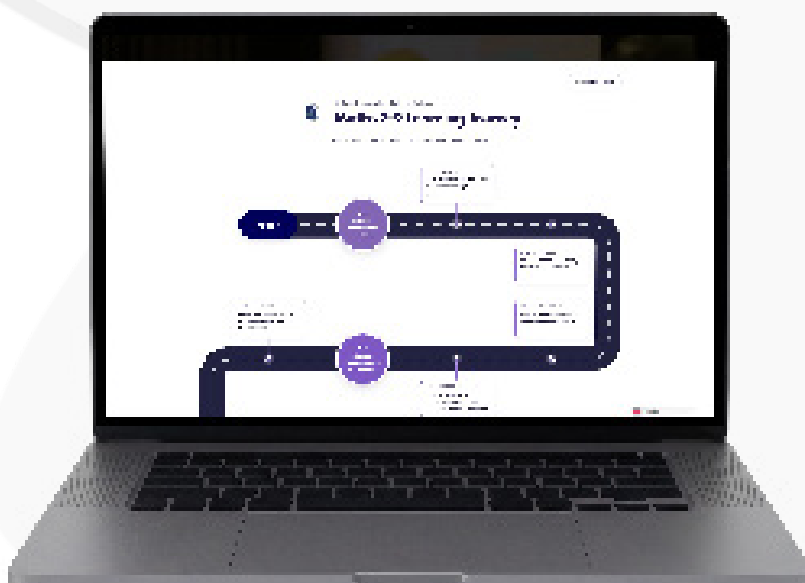

Explore Our Learning Journeys

Parents and carers can now explore our new Learning Journeys, showing the roadmap pupils follow through each subject during their time at SJP.

Each journey breaks the curriculum down by year group and half term, showing the topics pupils will study and the key learning points they will develop along the way. Parents can select individual points on the roadmap to see more detail about what their child will be learning.

Learning Journeys are available across a wide range of subjects, helping families understand how knowledge and skills build as pupils progress through school.

They are a simple way to see where pupils are now, what they are learning next and where their subject journey is taking them.

View Subject Learning Journeys:

Year 7 Students Impress with Their Spanish Alphabet Skills

Our Year 7 students have been busy learning the Spanish alphabet in their Spanish lessons this week, and they are already making fantastic progress!

Students have been developing their pronunciation and language skills as they become more confident with the sounds and letters of the Spanish alphabet.

It is brilliant to see their enthusiasm for learning a new language and how much they have already achieved in such a short time.

Watch the video to hear just how well they know their Spanish alphabet already!

Year 10 GCSE Art Students Explore Liverpool's Iconic Cathedrals

Our Year 10 GCSE Art students enjoyed a fantastic trip to Liverpool Metropolitan Cathedral and Liverpool Cathedral, gathering valuable visual research to support their GCSE Art studies.

The visit provided students with the opportunity to explore two of Liverpool's most iconic landmarks, observing their impressive architecture, intricate details and unique artistic features.

By collecting visual research directly from primary sources, students were able to develop their observational skills and gather inspiration for their own creative work.

A brilliant day of exploration, creativity and learning beyond the classroom!

Year 7 Welcome Mass

On Monday, our Year 7 students attended St Anne's Parish in Rock Ferry for their Welcome Mass, marking a special moment as they joined our Catholic school community. Together, they prayed for themselves, their families and the year ahead, asking for God's guidance as they begin this new chapter at St John Plessington.

The Mass offered a time to pause, reflect and give thanks, reminding each student that they are valued, loved and have a unique contribution to make. As friendships develop and new opportunities unfold, we pray that our young people will grow in faith and confidence, showing compassion and respect for one another and finding the courage to use their gifts in service of others.

Our heartfelt thanks go to Fr Mario, the parishioners of St Anne's and our staff for their warm welcome and for making this such a special celebration. The occasion was a joyful reminder of the close relationship between school, parish and home, united in supporting our young people.

May God bless our Year 7 students and their families, and guide them towards a year filled with learning, friendship and hope.

KS3 Coding, Esports and Minecraft Clubs

Our KS3 Coding, Esports and Minecraft Clubs take place every Thursday from 3.15–4.15 pm in IT5 and IT6. The clubs are run by Mr Slane and Mrs Kennedy and are open to all KS3 students.

KS3 Coding Club

Students can develop their programming skills, complete coding challenges and create their own games and interactive projects. No previous coding experience is required.

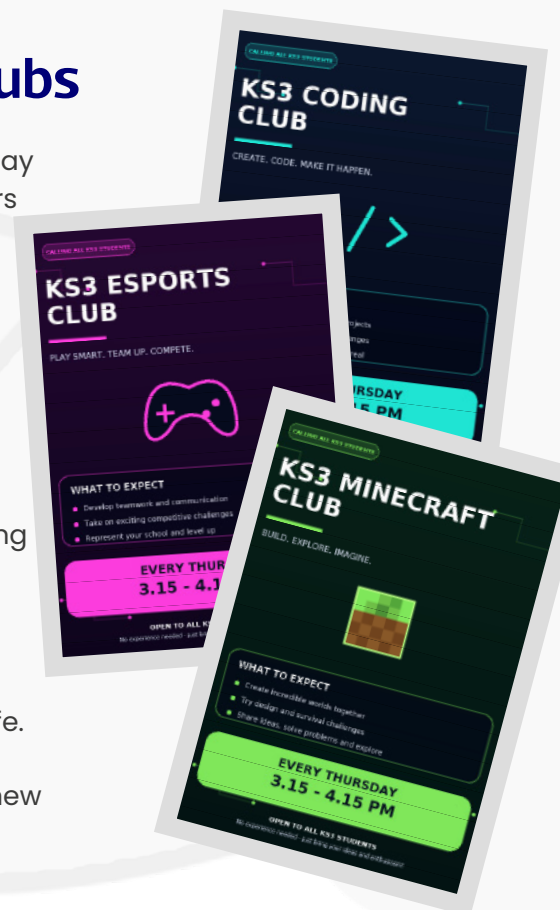

KS3 Esports Club

Students can compete in exciting gaming challenges while developing valuable teamwork, communication and strategic-thinking skills.

KS3 Minecraft Club

Students can build incredible worlds, take part in creative challenges and work collaboratively to solve problems and bring their ideas to life.

All KS3 students are welcome to attend. Come along, try something new and get involved in one of these exciting opportunities!

Celebrating Excellence in IT, Computer Science and Business Studies!

We are delighted to celebrate our latest Hall of Excellence Monthly Achievement Award winners from the IT, Computer Science and Business Studies Department.

These awards recognise pupils who demonstrate outstanding effort, dedication, a positive attitude to learning and a willingness to go above and beyond in their lessons.

Year 9 – Computer Science: Daniel

Daniel has consistently demonstrated an exceptional attitude towards Computer Science. He works extremely hard, challenges himself and always completes his work to a high standard. His enthusiasm, determination and willingness to go the extra mile make him a thoroughly deserving recipient of this award.

Year 12 – IT: Freya

Freya has made a fantastic start to Year 12 IT. She has shown excellent independence in her work, actively seeks feedback and is always looking for ways to improve. Her positive attitude and commitment to producing high-quality work have really stood out.

Year 10 – Business Studies: Pitor

Pitor has made an excellent start to Business Studies, consistently showing curiosity and enthusiasm in lessons. He regularly asks thoughtful questions and goes above and beyond in his coursework, particularly when researching and analysing a local business. His dedication and positive approach to learning are fantastic to see.

Congratulations to all three pupils!

We are incredibly proud of their achievements and look forward to recognising even more pupils in our Hall of Excellence throughout the year.

Keep up the fantastic work!

Hall of Excellence

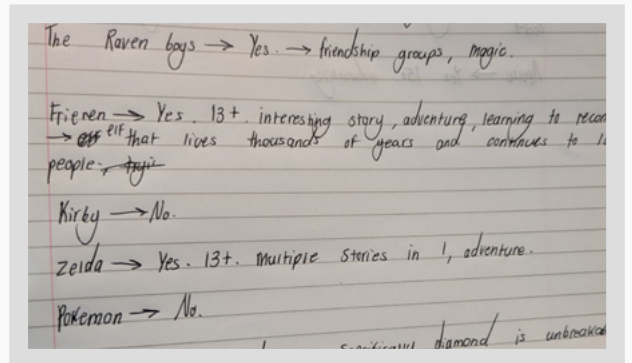

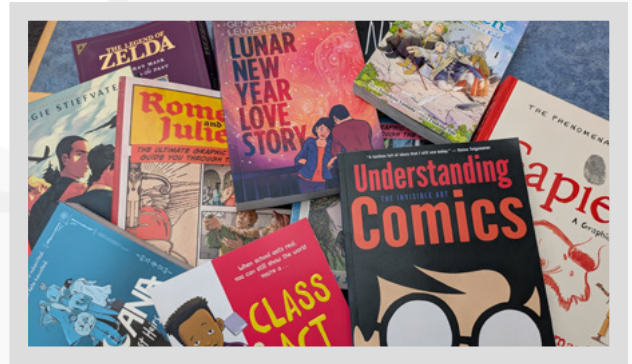

Students Take the Lead in 'Pitch & Post' Library Project

On Monday 28th September, our school library hosted Pitch & Post, an interactive reading project delivered by Kraken Comics and supported by Penguin Publishing. Two representatives from each year group joined two workshops to help shape our library collection and explore creative careers.

In the morning Pitch session, students worked with Cathy Charnley (owner of Kraken Comics in Bebington) to learn how booksellers evaluate titles. Putting their skills into practice, students selected 15 brand-new graphic novels that have now been added to our library.

During the afternoon Post session, local illustrator Matt Garbutt guided students through the professional book illustration process. The group then collaborated to design a bespoke Book Suggestion Post Box, which Matt is now creating as a permanent feature for future student recommendations.

We are extremely proud of our students' enthusiasm and teamwork, and we extend a huge thank you to Kraken Comics and Penguin Publishing for making this event possible!

National Reading Award Success for Olivia!

We are delighted to share that Olivia from Year 9 has been longlisted for the prestigious Barrington Stoke Reader of the Year Award!

Out of 82 nominations nationwide, only 30 pupils were selected for the longlist, with only one overall winner. The judging panel awarded Olivia this recognition to celebrate her extraordinary dedication to reading.

Olivia was presented with an official certificate from The School Library Association and a special token gold badge from Barrington Stoke to mark this fantastic achievement.

Our Librarian, Mrs Starkey, nominated Olivia for her tremendous growth as a reader, where she has shown inspiring determination and overcome so much throughout her reading journey. Having served as a dedicated Student Librarian last year, Olivia continues to be a regular face in our Library. When it comes to books, her tastes are delightfully varied – you'll often find her engrossed in graphic novels, K-Pop and Asian stories, books about Taylor Swift, or anything featuring zombies!

Please join us in giving Olivia a huge congratulations on this brilliant milestone – we are all so proud of you!

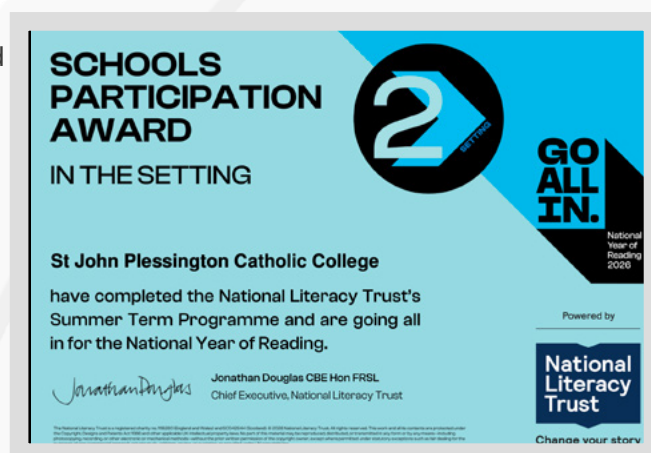

SJP Awarded Summer Term National Year of Reading Award

After successfully achieving our Spring Term Award, we're proud to share that we have achieved our second award from the National Year of Reading 2026!

The summer term was jam packed with events celebrating reading at SJP, such as an inspiring visit and workshop from acclaimed author Richard O'Neill MBE, the creation of our mini libraries in Romero, the Chapel and our staff room, and holding our first big Blooket tournament in the Library – which has now become a permanent fixture on Tech Fridays there!

Our reading culture continues to get stronger and stronger, with much more to come from this next term. Thank you for your support!

Sports Success

Year 9/10 Rugby Team Secure Impressive Victory Against Co-op Academy

Our Year 9/10 rugby team delivered another fantastic performance, securing an impressive 29-17 victory against a highly competitive Co-op Academy side.

The team showed great determination, teamwork and resilience throughout the match to come away with a well-deserved win.

Congratulations to everyone involved on another excellent result!

Shamelia Selected for Merseyside Squad for 2026/27 Season

A huge congratulations to Shamelia, who has been selected for the Merseyside squad for the 2026/27 season!

This is another outstanding achievement and a fantastic recognition of her talent, hard work and dedication to football.

To celebrate, Shamelia has also been invited to Goodison Park on Sunday for the women's match against Birmingham. She will have the exciting opportunity to step onto the pitch at half-time alongside her fellow squad members, where the girls will be introduced to the crowd and have photographs taken.

We are incredibly proud of Shamelia and look forward to following her continued success!

Year 8 Football Team Kick Off with Fantastic 6-2 Victory

Our Year 8 football team made an excellent start to the year with a convincing 6-2 victory against Co-op Bebington in their first friendly fixture.

It was a fantastic performance from the team, with the players showing great enthusiasm and teamwork to secure an impressive result.

Well done to everyone involved on a brilliant start to the football season!

Over 50 Students Take Part in After-School Sports Clubs

It was another fantastic evening of extracurricular sport, with over 50 students attending our after-school clubs!

Students enjoyed taking part in a range of activities, including netball, badminton, darts and rugby, demonstrating the enthusiasm for sport across the school.

Our extracurricular programme provides students with valuable opportunities to develop new skills, build friendships, stay active and enjoy activities beyond the classroom.

It was brilliant to see so many students getting involved and making the most of the opportunities available to them!

WIDER ENRICHMENT PROVISION AT SJP

Always Faithful to Christ

Explore | Try something new | Build your skills | Belong at SJP

Our wider enrichment provision is part of our Personal Development curriculum, helping you to grow in confidence, develop new skills, make new friends and live out our values.

The SJP BELONG Curriculum

Personal development and enrichment at St John Plessington Catholic College

Building
Brighter
Futures

BELONG is our planned personal development and enrichment curriculum. It provides pupils with a broad weekly experience that supports faith, character, literacy, wellbeing, citizenship and enrichment.

Why BELONG matters

Supports personal development, character and belonging.

Broadens horizons through rich and inclusive experiences.

Builds confidence, literacy, cultural capital and wellbeing.

Helps prepare pupils for life in school, in the community and beyond.

Our weekly BELONG timetable

SAME OPPORTUNITIES. A BRIGHTER TOMORROW.

	Monday	Tuesday	Wednesday	Thursday	Friday
Year 7 13:35 – 14:10	Celebration of the Word / Gospel to Life (College Hall)	Citizenship / Careers	Numeracy + Reading	Enrichment Pathway	Assembly (Drama Studio)
Year 8 13:00 – 13:35	Celebration of the Word / Gospel to Life (College Hall)	Enrichment Pathway	Assembly (College Hall)	Numeracy + Reading	Citizenship / Careers
Year 9 13:35 – 14:10	Numeracy + Reading	Celebration of the Word / Gospel to Life (College Hall)	Enrichment Pathway	Assembly (College Hall)	Citizenship / Careers
Year 10 13:00 – 13:35	Citizenship / Careers	Celebration of the Word / Gospel to Life (College Hall)	Numeracy + Reading	Assembly (College Hall)	Enrichment Pathway
Year 11 13:35 – 14:10	Enrichment Pathway	Numeracy + Reading	Celebration of the Word / Gospel to Life (College Hall)	Citizenship / Careers	Assembly (College Hall)
Year 12 13:00 – 13:35	Enrichment Pathway	Citizenship / Careers	Enrichment Pathway	Community Service	Assembly / COTW (College Hall)
Year 13 13:00 – 13:35	Careers Pathway	Assembly / COTW (Drama Studio)	Enrichment Pathway	Community Service	Careers Pathway

What BELONG includes

Celebration of the Word / Gospel to Life

Assemblies

Citizenship / Careers

Numeracy + Reading

Enrichment Pathways

Community Service (Sixth Form)

Parents and carers can support BELONG by talking to their child about the sessions they have attended.

1

Ask what they learned or enjoyed.

2

Discuss what they found interesting or challenging.

3

Encourage reflection on how BELONG supports their personal development.

Through BELONG, pupils learn, grow and flourish within our Catholic community.

Last Friday, eight of our young leaders from Year 8 attended mini -Dash. This is a diocesan wide meeting of year 8 pupils which takes place every term. They learn about what Catholic leadership is all about, do teambuilding activities, and meet with Mr McLoughlin to ask him questions about his job and the vision for the school. We travel to the event with our friends from St Mary's Wallasey who led us in singing all the songs we sing in Chapel and during celebration of the word, particularly on the way back.

Maggie appreciates your donation. She is 16 and does not have access to running and clean water when she goes to school. Generous donors have so far helped us reach about 40% of our goal, which is to send £500 to Cafod so that her school and others like it so it can be equipped with running and clean water. Please consider making a [donation here](#)

Confirmation and First Holy Communion classes are in full swing on Thursdays with more than 30 candidates preparing themselves for one

of the sacraments. Monday, we celebrated the welcome Mass for our Year 7 at St Anne's. Our pupils sang and read brilliantly and as they progress through the school, they will remember these moments of reflection, unity and celebration for all the blessings we receive together.

Father Mario is a busy man. On Wednesday we welcomed him in the Chapel for a Mass with our Chaplaincy volunteers and other pupils who wished to join us.

The month of the season of Care for Creation has drawn to a close but across the school, our plants are sprouting and continuing their journey of growth for spring harvest. Here's a fine example I found in the Assisi form room.

Upcoming Events
