

ST JOHN PLESSINGTON
CATHOLIC COLLEGE

NEWSLETTER

*A Catholic learning community committed to
excellence in all we do...*

Headteacher's Message

Dear Parents and Carers,

As we reach the end of our first half term, I would like to thank our students, staff and families for such a successful start to the school year. The weeks have passed quickly, and there is much to celebrate across our school community. Thank you for your continued support and for working in partnership with us to help our young people flourish.

This half term has brought wonderful enrichment opportunities, giving students the chance to discover new interests, develop their talents and build friendships. We are particularly proud of achieving the Artsmark Platinum Award, recognising the creativity and commitment of our staff and students. Special thanks go to Mrs Smith and all colleagues whose work has contributed to this achievement.

Our Belong curriculum continues to help students understand themselves, their relationships and their responsibilities within our community and the wider world. Alongside their academic learning, these experiences support our young people to become thoughtful, compassionate and confident individuals. Please take time to explore this newsletter to see what your child has been learning and the many opportunities available at SJP.

As a Catholic learning community, we recognise that every child is made in the image of God, with unique gifts to share. Our values of Compassion, Respect, Determination and Justice guide our daily life together. Through prayer, worship, learning and service, we encourage our students to use their gifts generously and recognise the difference they can make to others.

We send our best wishes to the students and staff travelling to Poland over the break. We look forward to following their experiences online and hearing about their learning when they return.

Thank you also to colleagues providing half-term intervention sessions and to the students attending.

School reopens on Monday 2 November. Weather permitting, we will begin with a line-up and uniform check before Lesson 1. Please help your child prepare by checking that their uniform and equipment are ready for a positive start.

Our Sixth Form Open Evening takes place on Wednesday 4 November. We look forward to welcoming Year 11 students and their families and those from other schools to explore the opportunities available as they consider their next steps.

For now, I hope the half-term break provides time to recharge, relax and enjoy being with those who matter most. We keep all our families in our prayers, particularly those facing difficulties, and ask God to watch over our community during the holiday.

With every good wish for a safe and restful half term,

Mr McLoughlin
Headteacher

We are delighted to announce that SJP has been awarded Artsmark Platinum

We are delighted to announce that SJP has been awarded Artsmark Platinum, the highest level of recognition awarded by Arts Council England. This prestigious achievement celebrates our commitment to providing an inclusive, inspiring and arts-rich education for every student.

A key strength identified in our Artsmark assessment was our commitment to working with artists, creative practitioners and cultural organisations to provide authentic experiences for our students. Through partnerships with organisations including Dot Art, Future Yard CIC and Liverpool Empire Theatre, our young people have opportunities to perform, exhibit their work and discover the possibilities of creative careers.

Our commitment to collaboration also extends beyond the college. Now in its fourth year, our New Brighton Arts Festival brings together schools from across Wirral, giving children and young people the opportunity to work alongside professional artists and perform in professional venues. These shared experiences celebrate local creativity, strengthen community connections and ensure that young people from across the area can access high-quality arts opportunities.

Artsmark recognised the strength of these partnerships, highlighting our work with cultural organisations and artists and praising the way these collaborations benefit both our own students and those in other schools.

At the heart of our approach at SJP is the belief that every young person should have the opportunity to discover and develop their talents. We work hard to make our arts provision inclusive and accessible, ensuring that all students can access instrumental tuition and participate in a wide range of arts activities.

**Artsmark
Platinum Award**
Awarded by Arts
Council England

Achieving Artsmark Platinum is a wonderful recognition of the dedication of our staff, the enthusiasm and creativity of our students, and the strength of our partnerships with artists, cultural organisations and schools across the community.

Congratulations to everyone who has contributed to this fantastic achievement. We look forward to building on this success and continuing to ensure that creativity, culture and the arts remain at the heart of life at St John Plessington Catholic College.

Mrs Carter

New Homework Hub Launched for Families

Following feedback from parents and carers who told us they were sometimes unsure how to access homework platforms or find their child's homework information, we have created a new Homework Hub on the SJP website.

The new page brings everything together in one place. Families can view the KS3 and KS4 homework timetables, check homework days and after-school support sessions, and find step-by-step login guides for Google Classroom, Tassomai, Sparx Maths and Seneca.

There is also a dedicated password reset request form, making it easier for pupils to get help if they are having difficulty accessing one of the platforms.

The aim is to make homework information clearer and easier to access, while giving parents and carers the information they need to support learning at home.

Visit the Homework Hub:

<https://stjohnplessington.com/curriculum/homework-at-sjp/>

Explore Our Learning Journeys

Parents and carers can now explore our new Learning Journeys, showing the roadmap pupils follow through each subject during their time at SJP.

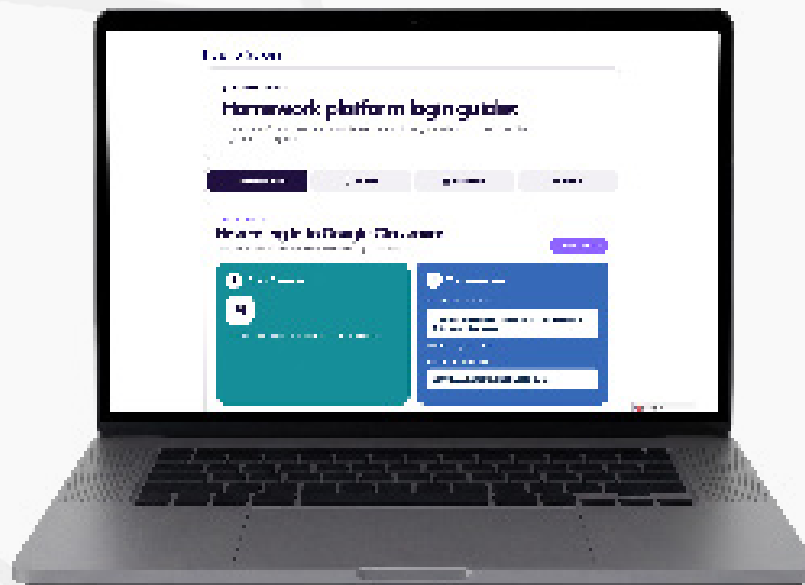

Each journey breaks the curriculum down by year group and half term, showing the topics pupils will study and the key learning points they will develop along the way. Parents can select individual points on the roadmap to see more detail about what their child will be learning.

Learning Journeys are available across a wide range of subjects, helping families understand how knowledge and skills build as pupils progress through school.

They are a simple way to see where pupils are now, what they are learning next and where their subject journey is taking them.

View Subject Learning Journeys:

Year 10 Drama

Year 10 Drama students had a workshop this week with the Paul Lavelle Foundation. The charity will be filming an educational video called 'Healthy Doesn't Hurt', dealing with issues faced by many young people, like how to navigate toxic relationships and dealing with substance abuse and online bullying, among others. The group already had some input into the production, as they proof-read the script a few weeks ago, and made several suggestions about how to make the dialogue feel more realistic and resonant for a young audience.

Adam, the director, spoke to the students about how the film will be shot, and they workshopped a number of scenes before sharing them with the rest of the group. Adam was so impressed by our students' attitude and talent, mentioning that he could have cast any number of them there and then, they were so convincing!

We look forward to seeing some of our young people feature in the finished product next year!

National Year of Reading: Beano's Never-Ending Comic Event!

As part of our ongoing NYoR celebrations, a group of Year 7 students took part in an exciting nationwide online event, 'The Never-Ending Comic: Draw What Happens Next', hosted in partnership with the Beano!

Guided by Librarian Mrs Starkey, comic artist Chanté Timothy and Beano's "Director of Mischief" Mike Stirling, students joined a live draw-along activity where they learned how to develop unique characters, experiment with speech balloons, and craft dynamic storylines using "WHIFFs" (What Happens If...?).

Their finished comic strips will now be submitted to the Beano for a chance to have their artwork published in the iconic magazine!

This was a Go All In! event for the National Year of Reading and SJP's commitment to celebrating and promoting reading for pleasure.

RE Department re-enact a Jewish Wedding

Year 11 pupils recently brought their Religious Education lessons to life by taking part in a re-enactment of a traditional Jewish wedding.

The ceremony took place beneath a makeshift Chuppah, a canopy which symbolises the home the couple will build together. Pupils explored several important Jewish wedding traditions, including the exchange of rings, the reading of the Ketubah (marriage contract), the seven wedding blessings (Sheva Brachot) and the breaking of a glass, which traditionally concludes the ceremony.

The activity provided a fantastic opportunity for pupils to develop their understanding of Jewish beliefs and practices as part of their GCSE Religious Education studies.

Well done to all the pupils involved for their enthusiasm and willingness to get involved in such a memorable learning experience!

Pupils Celebrate United Nations Day at Anfield for Personal Development Trip

On Friday 16th October, pupils from Years 7 to 9 had the fantastic opportunity to visit Anfield Stadium to take part in a special United Nations Day event organised by the LFC Foundation.

The event focused on the United Nations' 17 Sustainable Development Goals (SDGs), which aim to tackle global challenges such as poverty, inequality, climate change and access to education.

Throughout the afternoon, pupils explored the importance of working together to create a fairer, more sustainable world and considered how they can make a positive difference in their own communities. Our pupils represented St John Plessington Catholic College brilliantly, demonstrating enthusiasm, maturity and a genuine interest in the issues discussed. They were a real credit to themselves and the College.

The event provided a valuable opportunity to put into practice the values explored through our Personal Development and Citizenship curriculum, particularly the importance of global citizenship, social responsibility and standing up for others.

A huge well done to all pupils who took part, and thank you to the LFC Foundation for providing such a worthwhile experience!

SJP Celebrates Black History Month

Throughout October, St John Plessington Catholic College has been celebrating Black History Month, recognising the achievements, contributions and experiences of Black people throughout history and in society today.

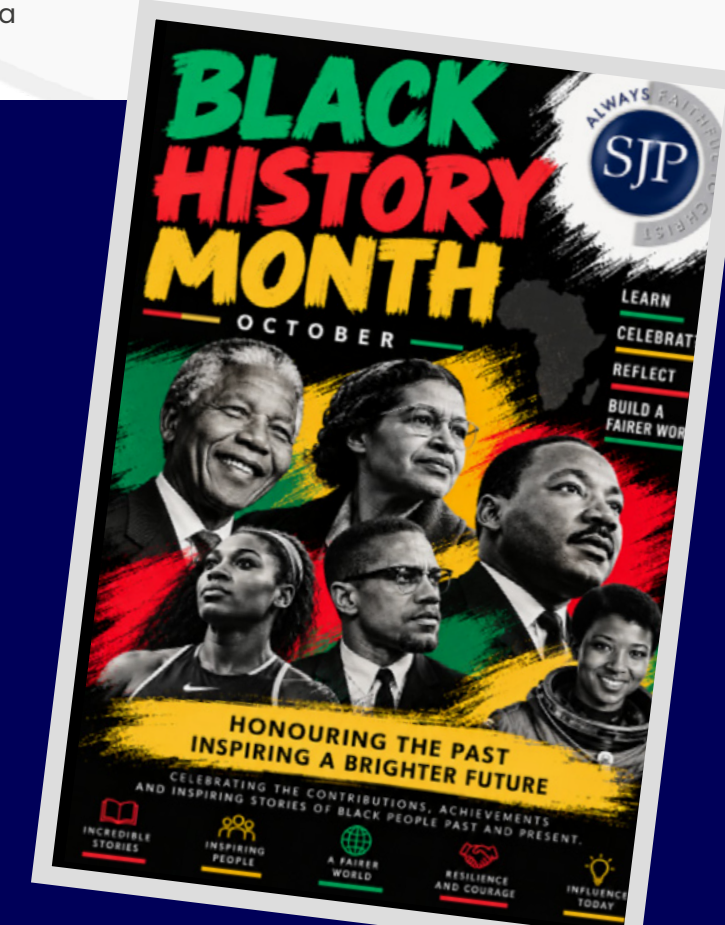

This year's theme, "Honouring Our Communities," has encouraged pupils to recognise and celebrate the contributions of Black individuals, from well-known historical figures to everyday heroes who make a positive difference in their communities.

Through the stories shared in Belong Time, pupils have explored the importance of recognising achievements that are sometimes overlooked and celebrating those who inspire change.

As part of our Personal Development curriculum, pupils have explored important topics including racism, discrimination and stereotyping, encouraging them to challenge prejudice, celebrate diversity and understand the importance of treating everyone with dignity and respect.

During Belong Time, form tutors have also been sharing the inspiring stories of Black heroes and role models, highlighting individuals who have overcome barriers, challenged injustice and made a lasting difference to the world.

These activities have provided valuable opportunities for pupils to reflect on the importance of equality, respect and inclusion, reinforcing our Catholic values and our commitment to creating a school community where everyone feels valued and respected.

Sports Success

SJP U14s Secure Impressive Victory Against Woodchurch

SJP's U14s produced a fantastic team performance, overcoming a competitive Woodchurch side to secure an impressive 44-19 victory.

Despite fielding a heavily depleted squad, the team showed great determination, resilience and teamwork to come away with a well-deserved win.

A brilliant effort from everyone involved, with Joe F earning a deserved Player of the Match award for his outstanding performance.

Well done, boys!

SJP Sixth Form March Into Merseyside Cup Quarter-Finals!

SJP Sixth Form secured an impressive 3-0 victory over Calderstones to book their place in the Merseyside Cup quarter-finals!

After a challenging first half under pressure, the team showed fantastic resilience before taking control and dominating the second half.

Man of the Match Daniel E.T delivered an outstanding performance, scoring twice and providing an assist, including a thunderous finish into the top corner!

A special mention also goes to Will K for a superb performance in goal, helping secure a well-deserved clean sheet.

A brilliant all-round team effort. Bring on the quarter-finals!

Year 9 Develop Their Tag Rugby Skills!

Our Year 9 students have been getting active in PE this week, learning the key principles of tag rugby.

Throughout the lesson, students developed their throwing and catching skills, improved their teamwork and learnt how to score a try.

It was a fantastic opportunity to build confidence, develop coordination and put new skills into practice.

Great effort from everyone involved!

Over 50 Students Take Part in After-School Sports Clubs

It was another fantastic evening of extracurricular sport, with over 50 students attending our after-school clubs!

Students enjoyed taking part in a range of activities, including netball, badminton, darts and rugby, demonstrating the enthusiasm for sport across the school.

Our extracurricular programme provides students with valuable opportunities to develop new skills, build friendships, stay active and enjoy activities beyond the classroom.

It was brilliant to see so many students getting involved and making the most of the opportunities available to

WIDER ENRICHMENT PROVISION AT SJP

St John Plessington Catholic College

ALWAYS FAITHFUL TO CHRIST

The SJP BELONG Curriculum

Personal development and enrichment at St John Plessington Catholic College

Building Brighter Futures

BELONG is our planned personal development and enrichment curriculum. It provides pupils with a broad weekly experience that supports faith, character, literacy, wellbeing, citizenship and enrichment.

Why BELONG matters

Supports personal development, character and belonging.

Broadens horizons through rich and inclusive experiences.

Builds confidence, literacy, cultural capital and wellbeing.

Helps prepare pupils for life in school, in the community and beyond.

Our weekly BELONG timetable

SAME OPPORTUNITIES. A BRIGHTER TOMORROW.

	Monday	Tuesday	Wednesday	Thursday	Friday
Year 7 13:35 – 14:10	Celebration of the Word / Gospel to Life (College Hall)	Citizenship / Careers	Numeracy + Reading	Enrichment Pathway	Assembly (Drama Studio)
Year 8 13:00 – 13:35	Celebration of the Word / Gospel to Life (College Hall)	Enrichment Pathway	Assembly (College Hall)	Numeracy + Reading	Citizenship / Careers
Year 9 13:35 – 14:10	Numeracy + Reading	Celebration of the Word / Gospel to Life (College Hall)	Enrichment Pathway	Assembly (College Hall)	Citizenship / Careers
Year 10 13:00 – 13:35	Citizenship / Careers	Celebration of the Word / Gospel to Life (College Hall)	Numeracy + Reading	Assembly (College Hall)	Enrichment Pathway
Year 11 13:35 – 14:10	Enrichment Pathway	Numeracy + Reading	Celebration of the Word / Gospel to Life (College Hall)	Citizenship / Careers	Assembly (College Hall)
Year 12 13:00 – 13:35	Enrichment Pathway	Citizenship / Careers	Enrichment Pathway	Community Service	Assembly / COTW (College Hall)
Year 13 13:00 – 13:35	Careers Pathway	Assembly / COTW (Drama Studio)	Enrichment Pathway	Community Service	Careers Pathway

What BELONG includes

Celebration of the Word / Gospel to Life

Assemblies

Citizenship / Careers

Numeracy + Reading

Enrichment Pathways

Community Service (Sixth Form)

Parents and carers can support BELONG by talking to their child about the sessions they have attended.

1

Ask what they learned or enjoyed.

2

Discuss what they found interesting or challenging.

3

Encourage reflection on how BELONG supports their personal development.

Through BELONG, pupils learn, grow and flourish within our Catholic community.

Reflection

This half term we have been concentrating on two themes in the Church's social teaching and in the final week these themes came together beautifully.

Our first emphasis was on the care of creation. Mr M Jones and his team were rewarded for all their continuous efforts to make our school more environmentally conscious and more intentional in our stewardship of resources from heating to paper. SJP received the CAFOD Living Simply award as recognition for all the progress.

To make the natural world and the care needed for life's visible and clear we embarked on a project to grow plants in each classroom from seeds. Today Mr McLoughlin judged each form's efforts and there were excellent examples of how care, teamwork, and sensitivity to life helped forms grow new plants. Some of these plants will eventually become part of the Farm Club's rebuilding of the polytunnel where these small seeds will ultimately end up as flower beds, lettuces and other crops.

We also wanted to focus on the common good. In our case we used the example of water. No single person can own water. It is for all of us, and we need to make sure it is available, clean and safe. It is a true common good.

We take water for granted. Billions of people on earth do not have access to clean, safe drinking water and their lives would be transformed if they did. We managed to raise over £500 for a project run by Cafod which will bring fresh, safe,

clean and accessible water and toilet facilities to school in Zimbabwe. Thank you to our on-line donors. Here is Father Mario congratulating the Chaplaincy Volunteers who inspired giving on line and in the CAFOD boxes and bake sales to reach the target

Next half term our focus will be on the Church emphasis on choosing the poor, not only to help them but to listen to them and learn from them. We believe that the poor are the face of Christ in this world. In order to do this, we will be working with the Whitechapel Centre to deliver 50+ backpacks and sports bag with basic clothes for rough sleepers and homeless people in the Merseyside area.

May you and your family enjoy a peaceful and restful half term holiday.
